Sir,

I have the honor to report that the inhabitants of Gubbi Town presented a petition praying for a grant from the Municipality to the Grant-in-aid Boys' School, which was some time back established at Gubbi by one Veera Sangappa. The School has been receiving a grant of Rupees 20/- per month from the Government. The inhabitants state that this grant is insufficient to meet the charges of the present teaching staff consisting of 5 Masters for 300 boys. The petition referred to the Vice President to this subject in the Municipal

2. Under these circumstances, I submit the proposal for favorable consideration of the Government. If the proposal is approved, a supplimental budget will be submitted.

As the Education Department gives a grant-in-aid of Rs 20/- a month, under the Rules, it is not clear why the Municipality of Gubbi should supplement

it. This is a matter for the Education Dept to deal with. Govt, therefore, decline to sanction the grant in aid of Rs 3/- per mensem from the funds of the Gubbi municipality.
